2011 — 2014	Digital Road Web and product design agency art direction / web design / front-end
2010 — 2011	Publlart Small print shop graphic design / print

EXPERIENCE

personal projects

I spend a lot of time working on side projects that help me to learn and experiment.

Here are some of my latest projects:

hihayk.github.io/scale

hihayk.github.io/modulator

More projects in Github: github.com/hihayk

EXPERIENCE

freelance projects

I have been instructing CSS&HTML classes at Ironhack bootcamp.

I have been working on freelance projects since 2010, these are some of the clients:

Wearisma / InMotion / Luzea & Icsam / Impuls / Angla Boutique / Neonized / Mr Lopez

SKILLS

design & code

Besides the traditional design tools I like to use code to design. Lately I have been developing using React working closely with front-end developers.

SKILLS

video & animation

I produce motion graphics with After Effects and occasionally do visual performances with musicians.

SKILLS

music production

Whenever I'm not designing I'm making music. I have been releasing music since 2006, performing live in festivals like Sonar and I participated in Red Bull Music Academy.

SKILLS

communication

I like teaching design and code.

I speak english, spanish, russian, armenian and catalan.

Thank you.
